

Hello and Welcome to our 2022-2023 Season of Unexpected Endings!

This year, FCTA is producing five unforgettable shows featuring the incredible talents of our student performers and technicians. We are working to make this an unforgettable year as exposure to quality theatre education allows our students to nurture their artistic abilities and grow into young professionals.

While we are partially funded by ticket sales, support from our community is crucial in bringing these shows to life and providing our students with magical experiences that they will cherish for a lifetime. Individual contributions are also welcome at an amount that is comfortable for your budget. If you do not see an option that fits you, but would still like to work with us, please contact bchalfant@nafcs.org for more information!

Thank you for your consideration in becoming a season sponsor, and for your support of our students!

Sincerely,
Brooklyn Chalfant
Director of Theatre Arts
