

2023/2024 Season Sponsorships

Hello and Welcome to our 2023-2024 Season!

This year, Floyd Central Theatre Arts is producing four magical shows featuring the incredible talents of our student performers and technicians. We are working to make this a fantastic year as exposure to quality theatre education allows our students to nurture their artistic abilities and grow into young professionals.

While we are partially funded by ticket sales, support from our community is crucial in bringing these shows to life and providing our students with unparalleled experiences that they will cherish for a lifetime. Individual contributions are also welcome at an amount that is comfortable for your budget. If you do not see an option that fits you, but would still like to work with us, please do not hesitate to reach out with your ideas to support our program! Thank you for your consideration in becoming a season sponsor, and for your support of our students!

The Difference Your Sponsorship Makes!

The average cost of getting permission to license a musical is \$6,000 - this is before we add costumes, props, sets, lights, adult mentors, and musicians! By making a contribution to our season of shows, you allow us to cultivate the talent of our 130+ Floyd Central students who participate in our program as they grow into incredible young people, performers and technicians!
