VOLUNTEER OPPORTUNITIES

There are so many different ways you can support your student and the theatre program. We are always looking for volunteers for various activities. Especially during a large performance on the big stage. These include, but not limited to, ushering, selling snacks, selling merchandise, selling flowers, etc. Other opportunities include State and Regional thespian conferences, paint wars, year end banquet, and any other troupe night event…amongst others. Your help is needed and appreciated!

BOARD ELECTIONS

WE NEED YOUR HELP

Every year we are looking for motivated parents to step up and become a board member. We do elections every May at the end of the school year. This year the office of the President and the Treasurer will be up for election. Next year will be the office of the Vice President and the Secretary. At large elections will be as needed. An executive board member can only serve 2 consecutive years for the same position. All positions are voted on by the Star Boosters, which include all parents of theatre and technical students.

If this is something you would have interest in pursuing, please contact the current President, Karen Headrick (klynnheadrick@gmail.com) for more detailed information.
